

Chicago Golf Club is currently rated #14 on Golf Digest's Top 100 list. The club is located in Wheaton, IL, which is approximately 25 miles west of Downtown Chicago. Established in 1892, Chicago GC was the first 18-hole golf course in North America, as well as a founding member of the USGA. Chicago Golf Club is the proud host of the inaugural US Senior Women's Open in July.

We are currently hiring Interns and AIT's for the 2018 season. Interns and AIT's will be involved in all aspects of golf course and grounds maintenance. Tasks will include watering, plant protectant applications, the mowing of playing surfaces, and the operation of all equipment on property.

Additionally, each Intern/AIT will be given the chance to manage the entire staff for one week, and many opportunities to lead projects. Interns and AIT's will participate in educational and professional development seminars throughout the season, volunteer at an off-site tournament as well as playing an integral role in the USGA event being played here. Past off-site tournaments include the Northern Trust Open, The BMW Championship, The Players Championship, PGA Championship and The US Open.

Free on-site housing is provided and includes a full kitchen, laundry, cable television, and wireless internet. Interns are paid \$9.50/hr plus overtime, and AIT's are paid \$10.00/hr plus overtime. Uniforms are provided, with an allowance for additional work related clothing items.
