

Burning Tree Club

Summer Internship 2018

Job Title: Summer Intern/AIT 2018
Date Available: 2016 Golf Season
Superintendent: David Kardos
Phone: 301-442-6362
Email: djkbtc@aol.com

Educational Req: Looking for current turfgrass, agronomy students. Also considering recent graduates looking to relocate

Experience Req: Current student enrollment or graduates in turfgrass field. Looking for at least 1-2 years of golf course experience.

Salary: Intern: 12-18\$ /hr

Benefits: Golfing, Uniforms, Housing probable

Comments: Burning Tree is an 18 hole private golf club located just inside the beltway of Washington DC. Greens are native soil, 007 Bentgrass. Tees are Pennncross Bentgrass. Fairways are currently in the grow-in stage of a recent renovation project, converting the Fairways to a 007 and SR1150 Bentgrass blend. This position will provide an excellent opportunity to learn to manage young fairways through the summer stress experienced in the transition zone.

Interns will also gain experience in irrigation, chemical applications and calibration, small crew management, disease identification, as well as other aspects of golf course maintenance. Interns have the opportunity to be involved in management meetings with the Superintendent and Assistants and provide input for the success of the golf course. Our internship program aims to provide the best learning environment to prepare for the challenges and demands that will be faced in future careers.
