

2019 Summer Internships

Wexford Plantation is located on Hilton Head Island, South Carolina. Privately owned by its members, the club consists of a recently renovated Arnold Palmer Design 18 hole golf course, 6 tennis courts and a Harbour with a private lock system.

As an intern, you will have an opportunity to experience all aspects of golf course maintenance at a premier club. Our program is designed to provide interns with practical, hands-on learning experience in golf course maintenance and agronomic plan management. Interns will be expected to be reliable, detail-oriented and have a positive attitude. They should have a strong work ethic, excellent communication skills and be willing to work in a team environment to exceed member expectations.
